

Young Workers Conference 2012 endorses the following recommendations for report to Victorian Trades Hall Council:

1. Implementation of youth specific structures at state and national levels (youth committees, networks) both within and across unions, including young officials and young delegates.
2. Review the structure of union dues to develop 'youth appropriate' dues/rates, progressive staggering of rates, 'sponsorship' options.
3. Cross-union outreach to students at schools/tafes/universities.
4. Young delegate 'exchanges' into other workplaces/industries/actions/unions.
5. 'Youth' pages within written and online union publications, written by and for young members.
6. Better surveying and analysis of current membership trends. This information should be appropriately accessible.
7. Increased servicing for casuals, reasons for casual membership etc.

Endorsed unanimously.
